UC Berkeley Summer Sessions- CHEM W1A
General Chemistry
June 24-August 16, 2013
ORIENTATION

1. Textbooks/Course Materials
   - TI-30X IIS Calculator (or equivalent simple calculator)
   - Atkins and Jones "Chemical Principles, The Quest for Insight" 5th ed. W.H. Freeman
     i. For a reduced cost, the online edition can also be purchased independently of the hard copy. To use the online edition of the text, navigate to the indicated chapter and use the left navigation bar to find the assigned readings.

2. Required Online Homework System
   - OWL for Chemistry
   - To register as an OWL user: Visit http://www.cengage.com/owl/ and sign up for “CHEM 1A, Levi, Summer 2013.” A document will be sent with a detailed OWL tutorial & FAQ.

3. Computer Requirements
   - Windows XP or Mac OS X capabilities
   - Internet Explorer (7.x or higher) for PC or Mozilla Firefox (3.x or higher) for Mac
   - Sun Java Runtime Environment installed
   - JavaScript enabled
   - Be sure that your browser accepts cookies from the originating server.
   - Highspeed internet is highly recommended-with dial-up; PowerPoint presentation and web video will be very slow, if not impossible.
   - 24/7 Tech Support: 1-866-786-8197 or onlinehelp@berkeley.edu

4. Summer Sessions Student Orientation
   - Overview: The orientation is designed to help familiarize you with the tools and features that you will need to complete CHEM W1A. Activities included in the orientation will assist you in developing a comfort level for working within the online environment so that you are better equipped to focus on learning rather than on the technology.
You will be enrolled in the orientation as well as in your course and have access throughout the term. You will be able to access your online orientation 1 week before the start of your course.

5. Course Logon
   - Classroom – [http://summer.berkeley.edu/courses/online-courses](http://summer.berkeley.edu/courses/online-courses)
   - Summer Sessions students need to authenticate and log in with CalNet ID and passphrase (follow the instructions on the homepage.)

6. Start Your Course
   - To begin your course, go to the “modules” tab and select the “START HERE” folder.
   - You **must** read and agree to the terms outlined in the Academic Integrity document in order to access your course materials.

7. Learning Activities
   - Completion of thirty-eight (38) Lessons in General Chemistry guided by your instructor
   - Completion of 13 module objectives in the OWL online homework system (10% of grade)
   - Completion and submission of three (3) Themed Problems (10% of grade)
   - Participation in the discussion forums (10% of grade)
   - Completion of thirteen (13) Module Quizzes (10% of grade)
   - Two Midterm Quizzes (10% of grade)
   - Final Exam (50%)

   **NOTE:** All assignments are due Pacific Standard Time (PST). Each day assignment is late 20% is subtracted from your grade. Any assignments not submitted by last day of course will receive a zero.

8. Students with Disabilities
   - Any students requiring course accommodations due to a physical, emotional, or learning disability must contact the Disabled Students' Program (DSP), [http://dsp.berkeley.edu/services.html](http://dsp.berkeley.edu/services.html), at the beginning of the course with their request. The DSP will review all requests on an individual basis. Please have your Disabled Student Program Specialist send the instructor a formal request by email by July 26, 2013.
