4. UC Berkeley Summer Sessions Student Orientation
   - **Overview:** The orientation is designed to help familiarize you with the tools and features that you will need to complete MCBW 61. Activities included in the orientation will assist you in developing a comfort level for working within the online environment so that you are better equipped to focus on learning rather than on the technology.
   - You will be enrolled in the orientation as well as your course and have access throughout the term.
5. Starting Your Course

- To begin your course, go to the “modules” tab and select the “START HERE” folder.
- You must read and agree to the terms outlined in the Academic Integrity document in order to access your course materials.

6. Learning Activities

- Read the assigned textbook pages.
- Watch and listen to the PowerPoint lecture presentations.
- Read web-based announcements and posting assigned during the course.
- Compose and post assigned responses to lectures and readings.
- Complete midterm exams and final exam.
- Complete writing assignments.
